Why BoMc?

Balance

We work hard, yet we encourage making time for outside interests. This balance leads to a more fulfilled, healthy individual, and thoughtful work product.

Diversity

Our welcoming environment fosters and supports diversity. A diverse team is more interesting, fun, and enriching, and leads to better solutions.

Teamwork

Our structure promotes sharing work and sharing credit. This encourages working as a team and enables us to put our clients' interests first.

"The balance offered by BoMc is unparalleled. I'm able to tackle complex and interesting issues for our clients, while still having a manageable workload. It's rare that I miss dinner with my family."

JAMESON MA

"BoMc provides me with the best of all worlds. I love working on engaging matters like those found at large law firms alongside collaborative colleagues in a culture that could only be found at a smaller firm."
